

CURRICULUM VITAE

Name: Noga Sokolover
Address: (Home) 9 Sderot Hayotzer, 62746 Israel
Tel. # 03-5461985
Cell-Phone # 054-5354553
Address (Work) Department of Zoology, Tel-Aviv University, Tel-Aviv 69978
Tel. # 03-6408613, Fax # 03-6409043
E-mail address: nogasoko@gmail.com
Date of birth: 16 April 1976
Place of birth: Tel-Aviv, Israel
Military service: 1994-1996 IDF- Engineering corps, mining & explosive instructor

Education:

1998-2001 B.Sc., Faculty of Life Sciences, Tel Aviv University
2001- 2004 M.Sc., Ecology and Environmental Quality.
(Department of Zoology), Tel Aviv University
Chemical ecology of sponges from the Israeli coast of the
Mediterranean Sea.
Magna cum laude
Supervisor: Prof. Micha Ilan, Tel Aviv University.
2008- 2014 Ph.D., Department of Zoology, Tel Aviv University
Ecological aspects of the Bryozoa along the Israeli coasts:
Schizoporella errata as a model species
Supervisor: Prof. Micha Ilan, Tel Aviv University.
2014- Post Doctoral fellow, The Steinhardt Museum of Natural History and
National Research Center, Tel Aviv University.
Taxonomic study of the Bryozoa fauna along the Israeli coasts

Teaching experience:

2001 - 2003 Teaching assistant - Invertebrates Zoology, Department of Zoology, Tel Aviv
University.
2003,4,10 Teaching assistant - The Mediterranean littoral A , Israel Maritime College,
Michmoret.
2004 Teaching assistant - Invertebrates Zoology, Israel Maritime College,
Michmoret.

- 2009 - 2012 Teaching assistant - Introduction to Zoology: from Invertebrates to Vertebrates, Department of Zoology, Tel Aviv University.
- 2011 - 2012 Teaching assistant – Oceanographic cruise course, Israel Maritime College, Michmoret.
- 2012 - 2013 Teaching assistant – Biology 1, Sackler faculty of medicine, special program with UPJS, Tel Aviv University.

Work Experience:

- 2010 Invertebrate expert – at the Nature Reserve and Parks Authority survey cruise of the Mediterranean deep sea.
- 2010 Invertebrate expert – at the SEA research foundation Nautilus expedition of the Mediterranean deep sea.

Membership in professional societies:

- 2009 - International Bryozoology Association (IBA)
- 2010 - The Zoological Society of Israel.
- 2011-2012 Marine Biological Association, UK (MBA).

Fellowships and awards:

- 2001 - 2003 M.Sc. fellowship, Department of Zoology, Tel Aviv University.
- 2008- 2013 Ph.D. fellowship, Department of Zoology, Tel Aviv University.
- 2009- 2013 Israel Taxonomy Initiative, Fund for Doctoral studies.
- 2010 Award for Excellence in teaching and research.
- 2010 Costantiner travel fellowship, Department of Molecular Microbiology and Biotechnology, Tel Aviv University.
- 2011 Israel Taxonomy Initiative, Travel fund
- 2011 SYNTHSYS award, EU funded research at the natural history museum, London. Project title: Morphological variation and distribution of the fouling bryozoan *Schizoporella errata* (Waters, 1878)
- 2013 Israel Taxonomy Initiative, Travel fund
- 2013 Kenneth Lindsday scholarship- The Anglo-Israel Association
- 2013 Lev Fishelson travel fellowship, Department of Zoology, Tel Aviv University.
- 2014 VATAT Post Doctoral fellowship, The Steinhardt Museum of Natural History and National Research Center, Tel Aviv University

Participation in scientific meetings:

- 2010 The 47th Meeting of the Zoological Society of Israel, Hebrew University, Jerusalem.
(Oral presentation entitled: Bryozoan biodiversity along the Israeli Mediterranean Coast).
- 2011 Taxonomy, biodiversity, and beyond: Global change science and society in Israel, Tel Aviv University, Israel
(Poster presentation entitled: Biodiversity of Bryozoan species from the Israeli Mediterranean Sea).
- 2013 16th International Conference of the International Bryozoology Association (IBA), Catania
(Oral presentation entitled: Bryozoa in the Israeli Mediterranean (Eastern Mediterranean)).

Publications:

Sokolover, N. and Ilan M. (2007) Assessing anti-predatory chemical defences among ten eastern Mediterranean sponges. *J. Mar. Biol. Ass. U.K.*, 87, 1785-1790.

Abstracts:

- Sokolover, N.** and Ilan, M. 2011. Bryozoan biodiversity along the Israeli Mediterranean Coast. *Israel Journal of Ecology and Evolution*, accepted for publication.
- Sokolover, N.** and Ilan, M. 2013. Bryozoa in the Israeli Mediterranean (Eastern Mediterranean) 16th International Conference of the International Bryozoology Association (IBA), Catania. Abstract volume. Rosso & Safilippo EDS.

Other Publications:

- Sokolover, N. 2009. Bryozoans collections of the Tel-Aviv University. Natural History collections of the Tel-Aviv University website.
- Sokolover, N. and Taylor, T. (2011). An unusual bisinuate orifice in *Schizoporella* errata from the Red Sea. *International Bryozoology Association Bulletin* 7(3).
